

My name is Zachary Jancsar, I was born and raised on a farm between Bright and Plattsville. I have been a long standing North Blenheim Mutual Insurance Company policy holder since I could drive. I have been a real estate broker since 2004 servicing the local community assisting in sales through residential, farms, and Commercial development. In the last 10 years I have taken serious interest in multi family investing and have scaled a large number of properties that we currently own and are looking to expand in the coming years. I love the business that I am in and take pride in providing the best advice and experience that I can for my clients. Recently I have started my own real estate brokerage "Hewitt Jancsar Realty Ltd" and I am looking to expand our brokerage and build our team to better serve

our community and clients. I have had the opportunity of sitting on the board of directors for one term already and look forward to the opportunity of many more to come. I have learned so much over the past 3 years and look forward to broadening my understanding of the mutual insurance world to better help our policy holders.

Thanks for the opportunity to act on your behalf,

Zachary Jancsar
